Slight Moisture Benefit Is Seen

Although there was about two and one-half inches of ground cover from an early Tuesday snow storm, several Randall County farmers saw little relief from the long dry period.

R. B. Gist, Jr., who farms 15 miles south east of the city, said the cold snap had probably frozen the top of the wheat. This is common when the plant is in a particular stage of growth, he stated.

Forrest Gruner, eight miles northeast of Canyon, said he received about one to one and a half inches of snow, although he had no measuring device.

"We received a negligible amount of moisture," he said. "It will be of no appreciable help to the wheat."

The ground was too dry for the snow to do much good, said Charles Conatser who received some two inches of snow. Conatser lives seven miles south east of the city.

Robert T. Lindsey, who has cattle between Canyon and Hereford, said the snow would have little effect on the animals.

"There was not enough snow that the cattle couldn't move it around and get something to eat—it was just cold on the cattle," he said.

Dr. Murray Measamer, head of the West Texas State University geography department, who compiles local weather information, said only about .20 inches of moisture was recorded from the snow although there was a two and one half inch ground cover.

He said the temperature dipped to nine degrees early Wednesday morning.

Al Morgan, maintenance construction foreman for the Texas Highway Department, said

"everything we had" was used to clear the roads Tuesday. "We used six snow plows and two maintainers to clear the highways," he said.

Morgan said there was "quite a bit" of traffic while his crews were working but that everyone was moving at a slow and safe pace.

He said about 150 sacks of salt was used at traffic signals on 23rd St. and on the Buffalo Bowl hill. Each sack contains 50 pounds of salt.

There were five "fender benders" reported Tuesday, said Chief of Police L. D. Caldwell, but no one was injured and property damage was not large.

Highway Patrolmen investigated a pick-up turn over Tuesday about noon near Buffalo Bowl. The driver was not injured.

Prizes Await First Baby

Canyon's first baby of 1967 will be a most fortunate tyke.

Local merchants are furnishing a variety of prizes and supplies for the first baby boy or girl to be born here after the beginning of the new year.

An annual event, the only rules governing selection of the child to be honored are that he be born in Canyon, that his parents live in Randall County, and that the exact time of birth must be confirmed by the attending physician.

License Tags Go On Sale February 1

Texas state license plates for 1967 have been received by the Randall County tax assessor's office according to county tax assessor, Bill Money.

The new tags will go on sale February 1 and will be available at the courthouse office or at the sub-station in Amarillo.

Car owners must have the plates on by April 1. In order to purchase the license, a car owner must show his current registration receipt and title of ownership.

Posse Plans Installation

Blaine Hufnagle will be installed as president of the Randall County Sheriff's Posse at an installation banquet to be held January 21.

Other officers to be installed at the event are Jimmy Plain, vice president; R. B. Allen, secretary; J. V. Moore, treasurer; A. P. Sanford, parade marshal; J. W. Pepper, assistant parade marshal; Jimmy Morrison, director of deputies; and Kathy Hufnagle, RCSP queen.

New members of the board of directors to be installed are R. B. Allen, J. V. Moore, J. W. Pepper and Jimmy Plain.

Other members of the board include Leon Cox, A. P. Sanford, Blaine Hufnagle, Glen Campbell and Jimmy Morrison.

WT Flag Gets Senate Nod

Acceptance of a design for a "school flag" for West Texas State University was announced recently by the sponsoring Stafford Hall Council.

The winning design, submitted by Ben Kline, graduate student, will be presented to the Board of Regents for formal approval in February.

Kline's design combines simplicity with school recognition and shows a hint of Texas heritage in WT's colors of maroon and white. The design features a white buffalo with the university seal in the center on a maroon background. To the left are maroon WT letters on a white background.

Members of the WT Student Senate adopted the flag design. A silk flag will be made by a

professional flagmaker, and this flag will be exhibited at the February meeting of regents.

Current plans are to fly a cotton school flag underneath the United States and Texas flags on the flagpole near the library. The cotton flag will also be flown over Buffalo Bowl during football season.

A silk copy of the flag will stand in the Stafford Hall lounge and will be used in parades. Atop the Stafford Hall flagpole will be a small plaque engraved with the date and designer's name.

CCA Slates Symphony January 8

Canyon Community Concert Association will sponsor a performance of the Chicago Little Symphony on Sunday, January 8, at 3 p.m. in the Canyon High School auditorium.

Playing with the symphony will be Josephine Citron, concert mistress for the Amarillo Symphony. She is participating in the current tour, according to Mrs. Joseph Findley, CCA chairman.

Upcoming concerts planned locally will include a performance by violinist Tossy Spivakovsky on Monday, March 13; and a baritone presentation by Yi Kwei Sze on Wednesday, April 12.

Canyon Man Uninjured As Truck Flips

A 61-year-old Canyon man was uninjured when his late-model pick-up overturned shortly before noon Tuesday near Buffalo Bowl.

Clayton C. Kelley, 2505 11th Ave., was traveling south on an expressway service road when he apparently lost control of the vehicle, said investigating Highway Patrolmen.

The vehicle landed on its top and several boxes containing livestock feed was strewn in the bar pit.

Kelley was taken to Neblett Clinic and later released.

It's A New Year

LITTLE MR. NEW YEAR, Britt Byerly, takes a look at the old year's passing and welcomes the new with a toot from his horn. The 11 month-old son of Mr. and Mrs. William K. Byerly may well be welcoming his first birth-

day which will be January 11. Britt was one of the first babies born at Neblett Hospital during 1966. His father is a graduate assistant in the government department at West Texas State University.

Junior Livestock Show Fund Drive Underway

The 20th annual Randall County Junior Livestock Show and sale will be held in Canyon January 13-14 according to an announcement by R. B. Gist, Jr., president of the association.

Gist and other members of the executive committee of the association are making final committee appointments for the upcoming show and a membership drive is currently being conducted throughout the county.

Memberships in the Junior Livestock Association are available at \$5 per person and the money raised will be used to pay premiums and other costs of the livestock show, as well as operation of the Association's building in Canyon.

Forrest Gruner and Earl Reynolds are heading the membership drive which will continue until show time. Workers and committeemen are donating their time and all funds will benefit boys and girls of the county.

Assisting Gruner and Reynolds on the membership drive

will be an estimated 25 workers in communities throughout the county.

General superintendent for the 1967 show is Benny Abbott. Members of the executive committee of the association are Cristler Crain, Earl Reynolds,

The Canyon Post Office, City Hall, and offices of the Randall County Courthouse will be closed as will a majority of Canyon businesses. The facilities will resume a regular business schedule on Tuesday, January 3.

January 4 will be "return-to-school-day" for students of all Canyon Public Schools as well as West Texas State University.

Dale Henry, Benny Abbott, and R. B. Gist, Jr. Other officers of the organization include Reynolds as vice president and Henry as secretary-treasurer.

Directors whose terms of office expire in 1967 include J. O. Parker, Cristler Crain, JoZach Byrd, Glenn Dowlen, L. S. Johnston, Clarence Beckman and Carrol Duncan.

A large number of boys and girls from throughout Randall County are expected to participate in the show according to John Brazzil, county agent, and Carrol Duncan, vocational-agriculture teacher at Canyon High School.

In addition to showing and selling their animals, the youths will also be in competition for three classes of showmanship trophies. There is the novice showmanship trophy which is awarded by the Canyon Kiwanis Club. The Farmer Schaeffer Trophy, goes to an individual who shows outstanding qualities at the show but does not directly participate in events.

LETTERS TO EDITOR

Dec. 28, 1966

Dear Editor:

Recently I had occasion to visit Girlstown USA located near Whiteface, Texas on the South Plains.

I had the good fortune to visit this home for 60 destitute girls on Christmas Eve and got a chance to really examine their financial wants and needs.

Girlstown is in bad need of help. In fact the need is so bad the organization may possibly close its doors shortly after the first of the new year.

Contributions have dwindled to almost nothing since the beginning of 1966 and thanks to the Christmas spirit of residents in the Canyon area and the rest of the Panhandle, Girlstown was stocked with enough food to feed its residents through the holidays.

These are deserving girls. They work hard at school and at home just like our young girls from 5 to 19 years in Canyon. I feel sure Canyon residents would no more want these girls to go without a coat or food than they would want some little girl in our own city to suffer these hardships.

Girlstown is operated by a board of directors composed of prominent men from throughout the Panhandle and South Plains

area. Nearly three years ago, the directors hired a Marshall Cooper, a man experienced in the operation of this type organization and since that time he has virtually reorganized Girltowns--giving the girls nicer and neater facilities, yet maintaining expenses at a more than reasonable level.

Girlstown is not just the responsibility of people in Whiteface. A young girl from a home between Canyon and Amarillo is in Girlstown and this places the responsibility for her clearly in our lap.

A small monthly donation, a few articles of used clothing, old unlabeled canned goods or used toys are ideal donations for Girlstown and can certainly be put to good use.

Dear Editor,

I do not like the Christmas lights one bit. I think you spend just as much money getting new lights bulbs as to buy some nice lights.

I think that we should get some nicer lights. I would be prouder of main street if it was decorated prettier lights.

Lisa Estes

Dear Friends:

A bit belatedly, may we thank you for the time and trouble you took for us earlier in December in allowing us to visit with you, and explaining the operation of your paper.

I felt it was a real help to our students. I just wanted to say "Thank you" in writing.

May you have a Merry Christmas and a Happy New Year!

Sincerely,

Bufs Trim Aggies To Tune Of 89-71

BY JON LOW

The West Texas State Buffaloes nabbed their first basketball win of the season in upsetting the once-mighty Texas A&M Aggies of the Southwest Conference, 89-71 Tuesday night in Buffalo Fieldhouse.

The victory road was paved by a hustling, dedicated team effort from start to finish, and particularly by the fine play of forwards Mickey Fitts and Jerry Cooper and guard Mike Mitchell.

In winning, the Buffs had to

overcome a tremendous performance by 6-9 A&M sophomore Ronnie Peret, a former high school all-stater from Plainview, who ripped the nets for 30 points and ruled the boards with 15 rebounds.

Fitts led the West Texans in both scoring and rebounds, with 26 points and 13 caroms, while Mitchell showed radar-accuracy in consistently hitting jumpers from as far as 30 feet out.

Cooper, who had not scored a single point this season, came

off the bench to pour in 17 markers, and twice pulled the Buffs to safe margins when the Aggies were threatenin'.

The Buffalo Award, for the WT player who does the most to spark the team in each home game, was voted to Cooper. In the three home games to date, each Buffalo Award has gone to a reserve who provided an unexpected lift.

A&M grabbed a brief 1-0 lead at the outset of the tilt on a Peret free throw, but 18 seconds later Mitchell put the Aggies behind for good with one of his customary long jumpers from beyond the key.

The teams traded baskets until WT led 19-16 midway through the first half, with Fitts supplying most of the points from underneath the goal, and John Underwood and Sonny Benefield keeping the Ags withing range on outside jumpers.

With only the narrow 19-16 margin, Coach Jimmy Viramontes made a successful move by inserting Cooper into the Buff lineup, and from that point West Texas pulled steadily away to an 18-point bulge of 40-22 eight minutes later.

A&M trailed 44-27 at intermission, due mainly to Mitchell's 16-point first half for West Texas.

Aggie Coach Shelby Metcalf evidently put a match under his quintet at the half, as they came out obviously fired up. Broken down into halves, A&M hit 26.7% of their field goal attempts in the initial half compared to a second half of 44 points on 53% accuracy.

The Buffaloes saw their lead dwindle to 12 points with 9:33 left on Benefield's free throw, after Peret and guard Jerry Payne ignited a semblance of a rally, but in came Cooper, and West Texas steadily drew away to their largest margin, a 20-point bulge on a charity toss by Fitts with 2:52 to play that made the count 83-63 for the Herd.

Following in Peret's wake, Ags John Underwood and Sonny Benefield also broke into double figures with 13 and 11 points, respectively.

The scoring for the Buffs was handled by Fitts (26), Mitchell (22), Cooper (17), Rod Teague (7), Derrith Welch (7), David Nowlin (4), Dale Morris (2), Val Franklin (2), and Gary Sikes (2).

Although he did not score highly, Teague gave a remarkable performance as a floor leader.

Rebounding for WT were Fitts (13), Welch (8), Nowlin (7), Cooper (7), Mitchell (4), Teague (3), Morris (1), Sikes (1), and Jack Johnson (1).

West Texas swept all three statistical departments, leading in field goal percentage 46% to 41%, free throw accuracy 77% to 74%, and rebounds 48-40.

BEAT THE AGGIES is what West Texas forward Mickey Fitts has in mind as he goes up for two of his 26 points in the Buffs' 89-71 upset of Texas A&M. Unable to stop Fitts on this play are A&M's 6-9 Ronnie Peret (45) and 6-3 Terry Trippet (51).

JOE MOORE

Joe Moore Top Player

For sparking Canyon to a 65-26 victory over Sanford-Fritch, Joe Moore has been named Player of the Week by the Canyon News.

Moore unleashed a barrage of 26 points to lead all scorers, and claimed nine rebounds, also tops in the game.

Starting out with a bang, Moore hit 13 points in the initial quarter and 21 in the first half. The end of the third period saw Moore with 26 points, when he retired to the bench and the reserves took over.

A gifted athlete, Moore starred in football at Canyon High for the past three years. He won second-team all-district honors last year in basketball and this season was named to the all-tournament team at the Pampa Tournament.

The popular CHS senior is a member of the high school choir.

Eagle Coach Tom Buchanan acknowledged, "Joe did a great job," and signaled the lopsided Canyon win as the Eagles' "best game so far."

CONTINUED CONSTRUCTION on a 210,000 kilowatt generator at Nichols Station, northeast of Amarillo, is part of Southwestern Public Service Company's \$20,000,000 improvement program for 1967. Pictured is the installation of a 225,000 pound boiler drum for the new generating unit.

SWPC Planning Expansion

A 1967 construction program calling for the investment of more than 20-million dollars in new electric facilities was announced today by A. R. "Lon" Watson, president and general manager of Southwestern Public Service Company.

The new investment is being made, Watson said, in order that the electric company can continue to provide economical service for its customers at the same time that it assures them of reliable service.

"Electric service seems to be the last holdout against inflation. The purchasing power of today's electric service dollar is \$1.07 - or 7 percent more - than its 1952 value. On the other hand, the dollar you use to buy other goods and services is worth just 77 cents today, when you compare it with a 1952 dollar.

"There are two reasons for

the increased value of the electric service dollar. Our customers are using more service, and the more they use the less

Eagles Go To Tourney

Coach Tom Buchanan's Canyon Eagles will compete with basketball teams from Borger, Dumas, and Phillips for the Borger High School Basketball Tournament on Dec. 29-30.

The Eagles, now 4-7 for the season, will meet Phillips on Dec. 29, while Borger will boast a home court advantage over Dumas.

If Canyon defeats Phillips, it will meet the Borger-Dumas winner for the championship on Dec. 30. Should the Eagles lose to the Blackhaws, they will play the loser of the Bulldog-Demon clash for consolation honors.

A youth basketball league has been formed in Canyon, with competition on the fourth, fifth, and sixth grade levels for both boys and girls.

Stan Lair, director of the project, reports that coaches and adult sponsors are still needed to fill some vacancies. Interested persons may contact Lair at OL5-3969.

There is still time for players to sign up, and formal practice will begin this week, according to Lair.

Mrs. Myrtle Wester spent the holidays in Amarillo visiting with her son and family.

Visiting with Mrs. Ida Schuette during the holidays are a daughter, Mr. and Mrs. Richard Stevens and children, Cynthia and Mark of Boulder, Colorado, and Oscar Schuette of Denver, Colorado.

Mr. and Mrs. Jack Drake spent the holidays visiting with Hubert O. Drake in Dumas and the B. A. Stamps family in Guymon, Oklahoma.

Juveniles Sentenced

Two Amarillo juveniles were sentenced to the Gainsville State School for Girls Wednesday by Randall County Judge Lloyd King.

In two separate cases, a 16-year-old girl was charged with posing for obscene photographs, and a 17-year-old girl was charged with consuming an alcoholic beverage, a violation of her probation.

Roy Cooper Stout, 21, of Amarillo, entered a plea of not guilty at his arraignment on a charge of possessing obscene photographs.

He is free on \$500 bond.

Visiting with the Carl Millers during the holidays were Mr. and Mrs. Garvin Long and Larry of Maple, and Marvin Long of Texas A & M.

WT Team On Tour

West Texas State's roundballers will see a lot of the United States in the next two weeks, as they fill a four-game road schedule before catching National Champion Texas Western in Canyon on Jan. 10.

The Golden Spike Tournament, hosted by Weber State College of Ogden, Utah, will field teams from Northern Illinois, California State of Los Angeles, and WTSU, in addition to Weber State, on Dec. 29-30.

In the opening round the Buffaloes catch Cal State while Weber State takes on Northern Illinois. If West Texas defeats Cal State, it will face the Weber State-NIU winner for the championship on Dec. 30. Should the Buffs lose, they will play the Weber State-NIU loser for consolation honors immediately prior to the championship clash.

Marriage Vows For Eudy-Meyer

Marriage vows for Miss Janiece Ann Eudy and Erwin Henry Meyer, Jr. were solemnized December 23 in Amarillo with Mrs. Bonita Potter, justice of the peace, officiating.

The double ring rites united the daughter of Mrs. John Earnest Eudy and the late Mr. Eudy of Canyon with the son of Mr. and Mrs. Erwin H. Meyer, Sr., of Canyon.

The matron of honor was Mrs. Jamie Louder, sister of the bridegroom, and best man was George L. Louder, brother-in-law of the bridegroom.

For her wedding, the bride was attired in a street-length dress with full bell sleeves and a bateau neckline. Her head-dress was a matching pillbox hat and she carried a bouquet of bridal flowers.

The couple will make their home at College Station where the bridegroom is attending the College of Veterinary Medicine and plans to receive his doctorate degree in August. He holds the B. S. degree from Texas A & M University and is active in the student chapter of AVMA.

The bride is a sophomore at West Texas State University and is active in Chi Omega sorority. Until the time of the marriage, the bride was employed with West Texas Ex-Students, Inc.

Miss Woodward Weds Ballard

Miss Jelene Woodward and Joe Ballard were united in marriage December 19 at Calvary Baptist Church of Canyon.

Rev. Jack Boyett officiated at the exchange of double ring vows. The bride is the daughter of Mr. and Mrs. Lloyd Woodward and parents of the bridegroom are Mr. and Mrs. A. B. Ballard of Dumas.

Appropriate nuptial music was presented at the organ by Theresa Hall of Brownwood, who accompanied Gary White, also of Brownwood, as he sang "Always".

Maid of honor for the ceremony was Miss Woodna Patterson of Canyon who wore a blue skirt with a white blouse and red vest.

Best man was James Ray Ballard, brother of the bridegroom. Ushering duties were shared by John Buchannan, Jr. and Larry

Robbs, both of Dumas. Given in marriage by her father, the bride wore a white sleeveless street-length dress featuring a fitted princess styling with a high rolled neckline. The veil of bridal illusion was caught to a crown of pearls and net and she carried a white Bible.

The traditional was carried out with something old being the pearls belonging to the bride's grandmother, a blue garter borrowed from her sister-in-law, Mrs. James Ray Ballard, and something new being her dress.

A reception honoring the couple was held in Fellowship Hall of the church. The bride's table was set with a crocheted piece given to the bride by her grandmother. The centerpiece was over blue and the table was accented with a triple tiered wedding cake.

The bride's grandmother, Mrs. Nellie Simpson, presided at the punch service and cake was served by Dianne Lesley of Amarillo. The bride's sister, Jenelle Woodward, was at the guest book.

A graduate of Canyon High School, the bride has been a student at Western Republic College in Amarillo and is presently employed at the Gold Tree Inn in the Bank of the Southwest.

The bridegroom, a graduate of Dumas High School, has attended Texas Technological College in Lubbock and is a graduate of Western Republic College. He is presently stationed with the U. S. Army at Fort Bliss in El Paso.

A Christmas party for the Woman's Study Club of Happy was held recently in the C.W. Vernon home.

The president opened the meeting by reading Henry Van Dyke's "Keeping Christmas". The program chairman, Mrs. Bobby Odom, introduced the program with assistance by Mrs. James Merrell, who read "The Most Precious Gift of Christmas" and closed with a prayer.

The group was entertained with Christmas carols sung by Steve Vernon, Tommy Forsyth, Neal Bryan and Barry Stevens, accompanied by Mrs. Mary Etta Bryan.

Mrs. Odom read "It's Christmas Time" and Mrs. Clayton Devin presented "Christmas Around the World."

Some 20 members answered roll call with a family tradition at Christmas. The holiday motif was carried out in the home decorations and refreshments. Assisting Mrs. Vernon as co-hostesses were Mrs. Douglas Lawyer and Mrs. G. L. Robinson.

Miss Sharon Miller of San Angelo visited during the holidays with her parents, Mr. and Mrs. Earl E. Miller.

Mr. and Mrs. James V. Martin spent the holidays at Maple with her sister, Mrs. Bob Kindel, and family.

Lubbock Ceremonies Unite Miss Malone-Lothringer

Miss Joan Marie Malone and Robert Augusta Lothringer were united in marriage December 23 at the Redeemer Lutheran Church of Lubbock with Rev. Neunaber officiating.

The bride is the daughter of Mr. and Mrs. James F. Malone of Canyon and mother of the bridegroom is Mrs. Myrtle Lothringer of Beeville.

Given in marriage by her father, the bride wore a long dress with short sleeves and an empire waistline that cascaded into a bell shaped skirt. The dress was made of saki with venetian lace and had a chapel train. She carried a bouquet of white carnations with an orchid center. The bouquet was carried atop a white Bible, which was a gift from the bridegroom. She wore a crown of pearls with an illusion veil of white net that reached shoulder length. Her only jewelry was a pearl necklace.

Miss Mary Ann Giromini of Amarillo was maid of honor and bridesmaids were Sandy Lothringer, sister of the bridegroom, and Jane Malone, sister of the bride. They wore dark pink velvet street length dresses featuring empire waistlines with long tapered sleeves. Their headpieces were pale pink satin with matching accessories and each carried a long stemmed light pink rose.

Best man was Jerry Seay of Lubbock. Groomsmen were Billy Lothringer, brother of the bridegroom, and Jimmy Malone, brother of the bride. Ushering duties were shared by Danny Gene Malone, brother of the bride, and Mike Wooten of Beeville.

Traditional Dates

Many people who recognize the Gregorian calendar still solemnize traditional feasts, including New Year, in accordance with ancient calendars. The Jews observe a 10-day New Year season at the time of the autumn equinox. The observances begin on Rosh Hashana and end on Yom Kippur. Rosh Hashana commemorates the Day of Creation and is also the annual day of Judgment, with that day of judgment being irrevocably sealed on Yom Kippur (the Day of Atonement); therefore the spirit of penance dominates the solemnities.

The Scots named New Year's Eve "Hogmany" grouping it with the whole New Year's season as "Daft days." Scottish children flood the streets on New Year's Eve shouting, "Hogmany," expecting cakes and fruits from neighbors just as American children do at Halloween.

A popular Spanish table treat is sopa, rice cooked with olive oil, tomatoes, vegetables and meat particles.

Penance is also a feature of the Hindu observances, solemnized in accordance with the ancient lunar calendar during the spring equinox.

New Year Great Holiday in China

The coming of a New Year has traditionally been a great holiday in the ancient land of China. Observance of the New Year may be compared to our own Fourth of July, Christmas and Thanksgiving rolled into one. To the accompaniment of exploding firecrackers, everyone feasted, gave presents and cards, made ceremonial visits to relatives and friends, and paid all family debts.

contributions and accomplishments in civic endeavors, religious, professional and political activities.

Both Mrs. Brasher and Mrs. Cox were nominated for the honor by the Canyon Study Club of which they are active members. Mrs. Brasher is currently serving her second term as the club's president and Mrs. Cox is active in several phases of the club's work including membership on the fund raising project committee, the yearbook and program committee, and education consul for the club.

Miss Eva Adams, director of the United States Mint, says the women included in the 1966 edition of Outstanding Young Women of America "are marked for recognition because they have shunned mediocrity". The publication was conceived by leaders of the nation's womens clubs which felt that young

women who give their time and effort to community projects should be recognized. Local women's clubs throughout the country submit nominations for the book. Guidelines for selection include unselfish service to others, charitable activities, community service, professional excellence, business advancement, and civic and professional recognition.

The book is an annual compilation of some 6,000 outstanding young women, between the ages of 21-35, who have distinguished themselves in civic and professional activities. Mrs. Lyndon B. Johnson serves as honorary chairman of the Board of Advisory Editors for the publication and has said the book is especially meaningful to her because the achievements and abilities of women are seldom recognized.

Two Buffaloes Play In N-S Shrine Game

Two fine football players from West Texas State participated in the annual North-South Shrine Classic in Miami, Fla., which the North won, 27-14.

Tom Moody and Hank Washington represented the South team, under the direction of Coach Darrell Royal of Texas, in the game that brought together 52 of the best football players in the United States.

Moody, who is from Miami, played the entire game on offense at the fullback slot, and was called on to carry the ball on the game's first play from scrimmage.

Although he carried only twice, Moody drew praise from sports commentator Chris Schenkel of ABC-TV for his brilliant faking. Used primarily as a blocking back, the 210-pound Moody had the unpleasant chore of protecting the quarterback from Michigan State's all-American behemoth Bubba Smith (6-7, 285 pounds) of the North team.

Washington split the quarterbacking duties with Bo Burris of Houston, completing 17 of 33 passes for 154 yards, although three were intercepted.

One of the interceptions came as Washington was being crashed to the turf, and Notre Dame's Pete Duranko grabbed it and bolted 20 yards for a touchdown. Another theft took place when the WT "Missileman" uncorked a 60-yard bomb for Duke's Dave Dunaway, but Dunaway misjudged the ball and was outmaneuvered by the North defender, who made the interception.

Washington was especially effective in the first half. He sprayed out five straight completions in the midst of a stretch that saw him complete 12 of 16 aeriels.

The proceeds of the game go to Shriners' hospitals for crippled children, with the motto, "Strong legs run that weak legs might walk."

Moody, who is from Miami, played the entire game on offense at the fullback slot, and was called on to carry the ball on the game's first play from scrimmage.
